

CLIENT TESTIMONIALS

"Without your program I wouldn't be able to take birth control and I can't afford more kids."

"You all are the only place I can get my wellness exam in (a 3-county area). Please never close this program!"

"I would not be able to go anywhere, I have no insurance or any doctor, this is all I have!"

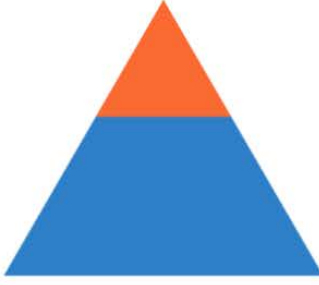

"With no income, this program helped me get checked out to eliminate my worries of breast cancer. You answered all my questions!"

"I've been coming for 10 years because it's a much more comfortable environment than another doctor's office."

Who We Are

Missouri Family Health Council, Inc. is a private, nonprofit that champions access for every individual to culturally sensitive, quality, sexual and reproductive health education and services. MFHC is the federal grantee for the Missouri Title X program.

What is Title X?

Established in 1970, Title X (ten) is a federal program dedicated to providing family planning services. Title X primarily serves lower-income populations with low to no cost, and confidential services related to family planning.
